Hello Miki! Just an update, I completed the letter of parking restriction request on Sepulveda from Manchester to 92nd St, and submitted it to Capt Alberca for approval.

Subject: A little building unrest

Hi Guys,

We had a Hillary headquarters in our Paradise Building (9100 Sepulveda Blvd.) and evidently the tenant across the hall has been assertively inviting them to get out now that they are losers. Allegedly, this man drew back to punch a female volunteer yesterday and I got a report from the Hillary group. Today our parking lot attendant said he knocked on her booth to ask if they had gotten out yet. He has scared a small population of female tenants to date. I have Steve Rhodes hanging out while the Hillary group moves and hopefully there will be no further situations.

Just keeping you in my loop.
